Linger Over Breakfast

In 1836, the Sisters of St. Joseph were welcomed to Carondelet where they opened their first school in the new world and lived to “serve the dear neighbor without distinction.” Just as the sisters opened their doors 176 years ago, we again open our doors to the eighth season of Linger Over Breakfast. Treat yourself to four enriching Saturday mornings as these programs promise to feed your mind, body and spirit.

Join us four Saturdays in 2012 from 9-11 a.m. in the von Steiger Dining Room at the Sisters of St. Joseph Motherhouse. Doors open at 8:30 a.m. Enjoy a healthy breakfast and a dynamic program for an offering of \$14 per session. For more information, call 314-678-0307.

MEET JESUS

Linda Straub, CSJ
January 7

Would you like to know Jesus more deeply? What can we know about Jesus from scripture and tradition? Is our understanding of Jesus changing with the new science? Enjoy a morning of meeting Jesus again or for the first time.

VOTE WITH YOUR FORK

Nancy Broach, CSJA
April 21

Your food choices are a direct vote for or against your own health as well as the health of plants, animals and the earth. The marketing hype and competing health claims of the food industry make for confusion about what foods to choose. Feed your mind by learning more about how good food choices are a vote for your health.

DYING TO KNOW

Patrice Coolick, CSJ
September 29

We create moments of grace in a world that does not expect kindness. Hear straight talk about death and dying and the grace to accompany a person on their last journey.

THE POWER OF LOVE AND THE LOVE OF POWER

Judy Miller, CSJ
November 10

Power is central to spirituality. To be alive is to have power. Let's examine the questions, “How do I exercise my power and how does it influence my spirituality?”

The Sisters of St. Joseph came to the Carondelet area in 1836 and have been serving the dear neighbor ever since. In 1840, the first building of the motherhouse was constructed and thus began a series of attached structures that ended in 1899 with the completion of Holy Family Chapel.

At the end of the 20th century, the Sisters of St. Joseph made a commitment to stay in the Carondelet neighborhood. With this decision came plans for a major renovation project that lasted two years. Since early 2002 the sisters again welcome guests by providing meeting space and overnight accommodations for religious and civic groups and by providing guided tours of the historic building.

The sisters share their motherhouse by providing a program on four Saturdays in 2012. Spend a few moments to refresh your body with a nourishing breakfast and also nourish your spirit with time for presentation, reflection, conversation and prayer.

Please come and “Linger Over Breakfast.”
